## The School

Our beautiful school is located in the historical Palacio de los Fernández de Córdoba building deep in the heart of Valencia's old town surrounded by history and culture.

We have carefully renovated the stunning 153-year-old property to our own vision of a 21st century language school that compliments history with modernism. The school is placed just where the 11th century Arab city walls were standing and still a big part of them have remained inside the building penetrating through the school and getting inside the classrooms, creating an atmosphere of history and mystery.

Our 2100-square-metre building has 28 classrooms with interactive whiteboards, a student café with reading area, two patios with fruit trees and a roof garden to enjoy the beautiful Valencian weather all year round.

The Españolé Summer Camp takes place in a separate wing of our school to ensure all camp students are together and interacting during breaks from class in the main patio.

We are located in the heart of the old town with easy access to accommodation and all activities.

## Quality assurance

We are proud to be part of International House World Organization (IHWO) which has over 60 years' experience in improving quality in language teaching. We are also accredited by the Instituto Cervantes.

# Spanish lessons

During the course students become immersed in Spanish language and culture, learn how people use the language in real life, how they speak to each other in the street, how they socialise. Students develop skills that they can immediately practise outside the classroom.

## Your arrival

Arrivals are normally on Sundays and departures on Saturdays (extra nights might be possible at extra cost). We pick up the students at the airport and take them to the host family or residence

On departure students are picked up at their accommodation and driven to the departure terminal of the airport. They will be helped to do the check-in and will be guided up to the passport control before the departure gates.

Students who have booked the UM service with the airline (unaccompanied minor service) will also have to book the service with the school (extra cost) as the airline requires the person in charge to escort the student until boarding the plane.

## The first day

On Monday morning host families accompany the teens to school and show them the way back home, either walking or by public transport. \*

Students living in residence will be accompanied on Monday morning by our school staff.

Students will then take a level test so that they can be placed in the class of the corresponding level.

After the test, they will attend a Welcome meeting where they will receive useful information and get to know other new students and the staff of the school.

Once the tests have been marked, every student is placed in a group and the classes can begin.

Complete beginners of Spanish don't have to take the level test but will participate in the Welcome meeting.

\* It's possible to book the "extra supervision service" if parents want the host family to accompany the children everyday to school and pick them up in the evening after the activities.
